

Superfort Explodes In Air; Eight Killed

B-29 Bomber Disintegrates Over Georgia

Waycross, Ga., Oct. 6—(AP)—A B-29 superfortress bomber exploded high over Waycross today, killing eight persons and spreading fragments of bodies and plane over 20 acres.

The big four-engine bomber was on a special research mission testing secret electronic equipment, said public relations officer Captain Harold R. Daniels of the plane's base, Warner Robins, Ga.

"The whole town" heard a roar "like a terrific thunder clap" and hundreds stood frozen watching the disaster, eyewitnesses said.

Four of those aboard leaped from the burning wreckage and landed safely by parachute in a farm field. Four bodies were trapped in the tail section, which snapped along with one wing from the main fuselage. Four other bodies were scattered in two to four feet of water in a swamp at the edge of town where the wreckage fell.

Daniels said several civilians were aboard the plane as electronic experts. He said guards were sent by air to recover and protect as much of the confidential equipment as possible.

Lewis Proposes Four Dollar Hike In Miner's Dues

Cincinnati, Oct. 6—(AP)—John L. Lewis asserted today membership in the United Mine Workers "has become increasingly valuable" and proposed that dues be hiked to \$4 a month.

The proposal, which was referred to a convention committee, would mean a 100 per cent increase for most miners, whose present dues average \$2 a month.

Lewis asked that the initiation fees be boosted from \$10 to \$50, of which the International Union would get \$30, the Local Union \$10, and the district organization \$10.

The national organization would benefit mostly from the proposed increase in dues. It would get half of the \$4. It now gets 90 cents, although the dues vary from district to district.

The UMW would receive \$14,400,000 from its 600,000 members under the new proposal. The officers reported more than \$13,000,000 in the treasury on June 30.

Air Force Tells Of Developments In Jet Field

Washington, Oct. 6—(AP)—The Air Forces announced today a new combination propeller and jet engine which it said will enable bombers to fly farther, faster and higher.

The new engine is a development of the Pratt and Whitney R-4360 wasp major, a 28-cylinder power plant used in the giant B-36, the B-50 and some other large aircraft. The engine will be used in the Boeing B-54, a modification of the B-50.

Power delivered to the propeller shaft in the new engine will be increased from 3,500 to more than 4,000 horsepower. In addition, "several hundred pounds of jet thrust" will be added by using a variable discharge nozzle.

A pound of thrust equals one horsepower when the airplane is flying 375 miles an hour. Officially designated the R-4360-VDT, the new engine increases efficiency and adds power by putting exhaust gases to work.

Roughly, it does this: the exhaust is used to operate a turbine compressor which forces air into the piston engine. That eliminates a gear-driven compressor or impeller which used up about at least 500 horsepower and makes that power available to the propeller shaft.

Rev. Mother Mary Bernard, 78, Dies

Terre Haute, Ind., Oct. 6—(AP)—The Rev. Mother Mary Bernard, 78, superior general of the Sisters of Providence in the United States and China and president of St. Mary's-of-the-Woods College here, died today.

The former Miss Mary Laughlin of Fort Wayne, Ind., she entered the order in 1905. She taught in schools in Chicago and Indianapolis until 1926, when she became first assistant to Mother Mary Raphael, then superior general of the order.

She was elected superior general and president of the college in 1938 and was re-elected in 1944.

Truman Assails GOP National Unity Theme

By the Associated Press
President Truman said last (Wednesday) night that the Republican unity theme is quackery. He accused GOP candidates of giving the voters "sweet lullabies" because Republicans are ashamed to tell where they stand.

"They have all their promises wrapped up in a package called 'unity' which they guarantee to 'cure' but won't say what's in it," Mr. Truman told a Philadelphia audience in the first major speech of an intensive three-day sprint through Eastern States.

In Albany, N.Y., friends of Gov. Thomas E. Dewey had already made

it plain that the GOP presidential candidate will stick to his campaign theme of a United America. They said his foreign policy adviser, John Foster Dulles, had advised him that such speeches had had a sobering effect on Russia. Dewey resumes his campaigning next Monday.

Another Republican orator, House Speaker Martin of Massachusetts, told an Anderson, Ind., party rally that Dewey is "the one hope for a United America; for an America that can meet and conquer the domestic and foreign problems which confront us."

Mr. Truman, in his prepared talk, disagreed. He observed that some GOP speakers "have been going around trying to sell the idea that their kind of unity would strengthen our voice in world affairs. Nothing could be further from the truth."

We are "the hope of the world" because we are free and prosperous, he said. But he added that our chance to lead the world to peace would weaken "when these freedoms begin to be cut down and when our great prosperity begins to wane under the dead hand of reaction."

Greece Requests Military Aid In Note To America

Washington, Oct. 6—(AP)—Greece wants increased military assistance from the United States to fight the communist led guerrillas.

This was disclosed today by Robert A. Lovett, undersecretary of state. Lovett wouldn't predict whether the request will be granted or, if so, whether it would require a supplementary appropriation from the next congress.

In a note delivered last Thursday to Ambassador Henry F. Grady in Athens, Greece proposed expanding its army to 150,000 men. This would mean an increase of 18,000, to be armed and supplied by the United States at mounting costs, officials said.

The United States has allotted Greece \$150,000,000 for military aid during the year ending next June. Beyond that time, Greece said in its note, it will require continued American help to enable its army to cope with the pressure of the guerrillas backed by Russia's Balkan satellites.

Republican Leader Confident Of GOP Control Of Senate

Albany, N. Y., Oct. 6—(AP)—Gov. Thomas E. Dewey's campaign manager took a rosy view today of Republican prospects for retaining control of the U. S. senate.

Herbert Brownell, Jr., told a news conference the outlook was good. He made that comment in reply to a question, after announcing that Dewey, the GOP presidential nominee, would stump nine states in eight days in a 38-speech campaign tour opening Monday.

Brownell said the Dewey camp was "much encouraged by the progress the governor made during his first campaign tour in states where senate contests are said to be close."

As for Dewey's own prospects, Brownell called them "excellent."

Kawakita Pens Appeal To Mother Not To Harm Self

Los Angeles, Oct. 6—(AP)—Tomoya Kawakita, condemned to death as a traitor to his native America, today penned an urgent appeal to his Japanese mother not to do anything to hurt herself.

Just before the American-born Kawakita was sentenced for treason yesterday, Federal Judge William C. Mathes disclosed he had received a "very touching letter" from the condemned man's mother. Kawakita's attorney said the mother, Mrs. Tose Kawakita of Los Angeles, wrote that if her son were guilty of high treason she did not want to go on living.

"Dearest mother," said Kawakita's note, "I have heard about the note you left under the judge's door. Please do not worry or do anything to hurt yourself. I am innocent. I love you, papa and mama, and I did not and never would violate the laws of the United States of America. I have been and am your dutiful son."

"This case will be appealed," Judge Mathes, who solemnly sentenced the former Japanese war camp interpreter to die in a gas chamber, ruled today Kawakita may proceed with an appeal.

MARINES MAKE HISTORY WITH NO SUPPORT FROM NAVY

San Diego, Calif., Oct. 6—(AP)—U. S. marines made history for their proud corps' again today. For the first time in war or peace they stormed ashore with their own planes giving the entire air support.

The landing on barren San Clemente island was a phase of the largest navy amphibious exercises of peacetime.

Warren Advocates Foreign Program Without Bluff

Chicago, Oct. 6—(AP)—Gov. Earl Warren called tonight for an American foreign policy without "vacillation or appeasement," and built around the full knowledge and understanding of the people.

Coming into the heart of the midwest, the republican vice presidential candidate in a prepared talk termed the GOP platform "clear and straight-forward" in its foreign policy definitions.

Warren cited platform declarations for collective security against aggression, and full support of the United Nations.

The republican foreign policy plank and the utterances of Gov. Thomas E. Dewey and Sen. Arthur Vandenberg, blueprint a "hopeful and confident approach" to increasingly difficult foreign problems, Warren asserted.

"There will be no vacillation or appeasement—no bluff. Just sound practical American determination based upon the realities of the day," Warren's review of GOP foreign policy concepts followed closely upon the pattern drawn by Gov. Dewey, the republican standard bearer, and utterances which the Californian himself has made earlier in the campaign.

Housewives Lead List Of Citizens Issued Passports

Washington, Oct. 6—(AP)—This may be a man's world, but it's mama who's going out to look at it.

A report on passports issued during the months of April, May and June wandered in today. And housewives were at the top of the list. Of the 82,786 passports issued, 16,426 went to housewives with skilled laborers next at 11,976, and students third at 10,591.

As you know—or would if you the commerce department, as I have—more people are going abroad today than ever before.

Some 159,000 went to Europe last year, 46,000 of them by air. And more would have gone if they could have figured out some way to get across the Atlantic.

A large proportion of the 159,000 European travelers were hastening back to the old country to see Giuseppe, or Hans, or Francois.

"Many don't realize it," said Boddie, "but 30,000,000 people in this country either were born abroad, or had at least one parent born there. Women, in particular, like to get back."

Southern Illinois Men Burn To Death In Airplane Crash

Collinsville, Ill., Oct. 6—(AP)—Two Monsanto, Ill., men were burned to death today when their light plane crashed a mile and a half east of here.

The victims were identified as Charles Cleveland, 34, and Jack Field, 23. Field was married and had two children.

Field's aunt, Mrs. Charles Harp, of Route 1, Collinsville, said she heard the plane and watched it circle the house several times.

Then the plane appeared to go out of control, she said, and struck the top of a tree about two blocks from the house.

The women ran to where the plane fell but were forced back by flames.

'Alfalfa Field' Car Dealer Surrenders To Officials

Jerseyville, Ill., Oct. 6—(AP)—down payments. The creditors said both dealers were insolvent.

Kramer's voluntary petition, filed by Attorney Alvin H. Pettit of Jerseyville, set forth assets of \$2,133,402 and liabilities of \$2,387,065. Of the assets, a total of \$2,160,000 was claimed on notes and an open account from Knetzer.

More than 1,300 persons from Illinois, Indiana, Missouri, and 12 other states were listed by Kramer as "creditors with claims unsecured." The amounts owed to them ranged from \$1,630 to \$1,740. Creditors were listed from such distant points as Pasadena, Texas, and Baltimore, Md.

Kramer's petition was referred to Thomas Williamson of Edwardsville, a referee in bankruptcy, for hearing. Three Springfield residents asked the court to declare Knetzer a bankrupt. They said each of them had deposited \$1,000 with Knetzer but had not received 90-day delivery on a car as promised or 30% their money back.

Federal Judge J. Leroy Adair in Peoria appointed William C. Dunham of Collinsville as receiver for Knetzer's property and assets.

The three Springfield petitioners were Barney J. Grohman, Joseph F. Cristani and Angelo Di Giacomo. They said they believed more than 100 other persons had deposited in excess of \$100,000 with Knetzer under similar conditions.

Their petition said Knetzer's Motor Sales company has "closed its doors" and that Knetzer "cannot be found."

At Edwardsville, about 30 persons appeared at the company office asking for return of deposits. The office manager said Knetzer left last week but expected to return this week.

The involuntary bankruptcy petition against Kramer was brought by Joseph McInerney of St. Louis, Charles M. Wolkitz of Quincy and Herman Geisler of Brighton. They were represented by L. Gov. Hugh W. Cross, a Jerseyville attorney.

They said their claims against Kramer totaled more than \$5,000 in down payments on cars they never received.

At Jerseyville, more than 40 persons waving papers they said were receipts from Kramer crowded into the office of State's Attorney P. A. Reinsner.

Pamela Lamphere Will Undergo Second Operation

Chicago, Oct. 6—(AP)—Little Pamela Lamphere will undergo in the next ten days the second of three operations to correct a rare bladder malformation.

This was announced today by Dr. Karl A. Meyer, director of the county hospital, where Pamela is being treated. The 23-month-old girl was born with her bladder outside her body.

Dr. Meyer said she had recovered from her first operation on Sept. 22 and is able to leave bed to play for short periods daily.

The child's ailment had caused an estrangement of her parents, Fred and Irene Lamphere. The father wanted her operated upon; the mother feared surgery might kill her.

After a court obtained expert medical opinion favorable for an operation the mother agreed to surgery and they became reconciled.

Dewey's Second Campaign Tour Through 9 States

Albany, N.Y., Oct. 6—(AP)—Gov. Thomas E. Dewey's second campaign tour opening Monday calls for 38 speeches in nine states.

He has scheduled major addresses for Pittsburgh, Kansas City and St. Paul.

The Republican presidential nominee's campaign manager, Herbert Brownell, Jr., said today the tour would take Dewey into Pennsylvania, Kentucky, Indiana, Illinois, Oklahoma, Missouri, Minnesota and Michigan. There will be four stops in New York State.

Dewey will leave Albany by train at midnight Sunday. His itinerary, in part, follows:

Oct. 11—Pennsylvania: Erie, Sharon, Newcastle and Rochester, all rear platform appearances. In the evening, Dewey will make a major address in Pittsburgh.

Oct. 12—Kentucky: Lexington and Louisville. He will also talk Oct. 12 in Evansville, Ind., and in these southern Illinois communities: Carmi, Mt. Vernon, and East St. Louis.

Oct. 13—Oklahoma: Vinita, Claremore, Tulsa, Sapulpa (the home of Mrs. Dewey's parents), Bristow, Chandler, Oklahoma City, Holdenville and McAlester.

Oct. 14—Missouri: Joplin, Monett and Springfield. A major evening address is scheduled in Kansas City, Mo., Oct. 14.

His major addresses in Pittsburgh, Kansas City and St. Paul will be broadcast nationally.

Western Powers Urge Lift Of Berlin Bloc

Part of the garrison from that big industrial city already has moved south to join the battle for Chinnhsien, Mukden's imperiled supporting base.

In the Changchung garrison were two seasoned armies, the new Second and the new Seventh. Behind them they left a starving civilian population which could not be fed by government food drops.

Mukden itself is being supplied only by air.

The abandonment of all Manchuria reportedly has been urged often by U. S. military advisers in Nanking. They want the government to bring all its force to bear in North China, clear out the communists, and then fight back into Manchuria, a great industrial prize.

There was no indication, however, that the government means to leave Mukden. Lt. Gen. Teng Wen-yi, military spokesman who announced the abandonment of Changchung, said fresh troops were pouring ashore at the south Manchurian port of Huludao.

The Changchung garrison of 100,000 men, by latest press accounts, has reached Mukden in a race through thinly-held communist lines. Changchung is 175 miles northeast of Mukden.

Senator Barkley Accuses GOP Of Exploiting West

Casper, Wyo., Oct. 6—(AP)—The Republican leadership was accused today by Senator Alben W. Barkley of Kentucky of favoring "exploitation" of the west "by those powerful financial interests which control" the party.

In a speech prepared for delivery here tonight (9 p.m. CST) the Democratic vice presidential nominee declared "the record of the two political parties in connection with the west is clear as crystal," with the GOP favoring "exploitation" and the Democrats standing for "development."

The Democratic party, he added, wants the west to be developed "by westerners, for western benefit and automatically and inevitably for the benefit of the whole country."

During the past 16 years of Democratic administration, Barkley said, "the west has progressed as much as in all the previous years of Republican control."

Stevenson Warned Chicago Democrats Will Want Jobs

Chicago, Oct. 6—(AP)—The Democratic nominee for governor of Illinois today got public notice that Chicago Democrats will be after him for state jobs if he is elected.

Adlai E. Stevenson, trying to unseat Republican Gov. Dwight H. Green, told a Cook county Democratic luncheon:

"I'm not happy because I must leave Chicago next year and move into the governor's mansion at Springfield."

Jacob Arvey, county party chairman, replied:

"Don't worry, Adlai. A lot of them will be following you down there."

Stevenson smilingly accepted the suggestion. He said:

"Come along and bring some more with you."

Martin H. Kennelly, Chicago's Democratic mayor, interjected:

"If Mr. Stevenson thinks he's going to be alone, I want to tell him that from my experience as mayor, he will never be alone."

Arvey said Kennelly is "campaigning for us 24 hours a day."

205,000 Homeless Europeans To Enter U. S.

Washington, Oct. 6—(AP)—The vanguard of 205,000 homeless Europeans scheduled to enter this country under congressional approval will sail from Bremerhaven, Germany, about Oct. 21.

Harry Rosenfield, acting commissioner of displaced persons, said today the first shipload will carry 626 DP's.

The immigrants, whose entry was authorized by congress last June, come from the more than 200 displaced persons camps in the western zones of Germany.

Rosenfield said that by the beginning of the year the commission hopes to have an average of 8,000 to 9,000 DP's moving into the United States each month. The rate will be increased later on.

Chinese Government Abandons Changchung

Nanking, Oct. 6—(AP)—The government announced today it had abandoned Changchung. The Manchurian capital had been turned into a military liability by months of communist siege.

It was believed President Chiang Kai-shek made the decision in order to concentrate government strength against the growing red peril in North China and South Manchuria.

Some experts believe Chiang also may be ready to tell his troops to quit Mukden and fight south into China proper.

The abandonment of all Manchuria reportedly has been urged often by U. S. military advisers in Nanking. They want the government to bring all its force to bear in North China, clear out the communists, and then fight back into Manchuria, a great industrial prize.

There was no indication, however, that the government means to leave Mukden. Lt. Gen. Teng Wen-yi, military spokesman who announced the abandonment of Changchung, said fresh troops were pouring ashore at the south Manchurian port of Huludao.

Boulder Knocks Train Off Track Killing 2 Crewmen

Pittsburgh, Oct. 6—(AP)—A huge boulder knocked a fast Pennsylvania Railroad train off the tracks at suburban Bellevue today, killed two crewmen and injuring 12 passengers and trainmen.

Dead were engineer J. G. Lightburn and fireman R. G. Rombke, both of Crestline, Ohio. They were the crew of the second of two locomotives hauling the Fort Pitt Express out of Pittsburgh bound for Chicago.

E. W. Shenk, 54, of Beaver, engineer on the first engine, said:

"We had no chance to avoid crashing that rock. We had just rounded a curve and there was that huge boulder on the track."

The boulder jacked five of the nine cars and derailed both locomotives. The engines were crushed across the tracks, which were torn up for 200 feet. Both engines overturned. The last four coaches stayed on the rails.

Paratrooper Thrills Crowd In Military Air Show

Elsin Field, Fla., Oct. 6—(AP)—Combined armed forces today staged a thunderous and flame-filled demonstration of vastly augmented air power.

The demonstrations were given a touch of realism by the breath-taking fall by a paratrooper whose parachute did not open. He had to use the emergency chute in a last split-second of drop.

The curtain-raiser was four B-29 superfortresses droning 10,000 feet above the battle ground, releasing four 4,000-pound bombs each. All bombs smashed dead on the target, exploding in a tremendous uprush of black smoke and flame.

An assorted air force of navy and marine planes, then showed how they would support advancing ground troops with high and low level bombings, rockets, napalm fire bombs and gunfire.

The man figuring in the nerve-rattling incident of the jump was a member of the all-Negro unit of the 82nd Airborne division—Pvt. George Isabel, Jr., of Memphis, Tenn.

COUPLE MARRIED ON HORSEBACK

Noblesville, Ind., Oct. 6—(AP)—The bride and bridegroom came forward at a slow canter to speak their vows. Instead of the "Lohengrin" wedding march, there was just the creaking of wheels on the hay rack where the justice of the peace stood.

Miss Dakres Douglas and Harold Grimes were so fond of saddle horses that they were married on horseback. Their relatives witnessed the barnyard ceremony on foot.

U. S. Declares Intention To Resist Russia

Paris, Oct. 6—(AP)—The United States declared before the security council today its firm intention to resist Russian efforts to compel the Americans to abandon Berlin to Red rule.

In the face of Soviet refusal to discuss the Berlin case in the council, all three western powers urged the council to help lift the Soviet blockade of the city.

Dr. Philip C. Jessup, the U.S. delegate, charged the Russians with using all possible means to force the western powers from Berlin, including "political bribery" of the Germans. But he stressed that the U.S. is willing to have an immediate meeting of the council of foreign ministers on Germany "the moment the blockade is lifted."

A British source said the representatives of the western powers met tonight to consider the first steps toward a formal proposal that the council call on Russia to raise the Berlin blockade.

Only informal talks were held and no resolution was drawn up, the source added. The western powers intentionally put their case to the council today without any formal proposal for action, saying merely they wanted an end to the threat to peace caused by the blockade.

Russia's delegate Andrei Y. Vishinsky sat silently through the morning and afternoon council sessions. For a while he read a newspaper, to show he was not taking part in the debate.

At the end of more than two hours of steady recital of western charges against Russia, the council adjourned to give other delegates time to decide their courses. No date was set for the next meeting, but informed sources predicted it would be Saturday morning.

Several western delegates said the council adjourned in order to give the members a chance to study the long speeches made today and to write their own statements.

None of the western delegates expects Vishinsky to enter the discussion. Several said he is sitting at the table apparently in order to veto any council resolution Russia doesn't like.

Army Recommends Clemency For Nazi War Criminals

Washington, Oct. 6—(AP)—Commutation of the death sentences of "a limited number" of Nazis convicted of war crimes has been recommended by a special army commission.

Army Secretary Royall said today that the Clemency recommendations have been forwarded to Gen. Lucius D. Clay, U.S. military governor in Germany, who has the final say in the matter.

The condemned men are among 139 granted stays of execution last May, after 160 others had

INVESTIGATOR INVESTIGATED

(Decatur Review)
The house un-American activities committee seems to be still up to its old tricks in asking for prosecution of three persons alleged by it to have conspired to hand over atomic secrets to Soviet agents.
In quick reply, the department of justice has announced that the report of the committee and testimony produced by it is insufficient evidence on which to base any prosecution, and it has refused to "institute prosecutions to justify publicity seekers."
The Thomas committee has proved time after time that it is principally a publicity seeker. It has proved also that it sneers the reputation of persons on the basis of evidence that would not stand up in court, where a man's basic American rights are protected from slanderous attack.
Chairman Thomas, one of the most flagrant misusers of the legitimate functions of the congressional committee, may now get a small taste of how it feels to be investigated. Seventeen New Jersey attorneys have petitioned the justice department to investigate and determine whether any federal laws have been violated in the handling of payrolls in Thomas' office.
Representative Thomas is lucky that he is not going to be investigated by a congressional committee operating on the methods that he has helped to develop. As it is, Thomas is now presumed to be innocent of any misdoing. That is as it should be.

COMMUNICATION

Vaught, Robinson & Foreman, Attorneys at Law
201-206 Professional Building
Jacksonville, Illinois
October 6, 1948

Jacksonville Journal-Courier
Gentlemen:

In the Courier of Tuesday and the Journal of Wednesday of this week appeared a statement of the Board of Education of Community Unit School District No. 27. This was relative to the election to be held Saturday, October 9, for an overall Community Unit School District as recommended by the Morgan County School Survey Committee.

The following statement appeared there:
"The proposed plan has not been approved by the Cass County Survey Committee. Where the territory involved is located in two or more counties, the plan should be submitted to those counties."

These two sentences, so joined, obviously infer that the plans was not, in fact, even submitted to the Cass County Committee. This inference tends to cast doubt upon the legality of the proceedings. As attorney for the Morgan County Survey Committee, I feel an obligation to see that no misconception exists in this regard.

The petition in this case was formally presented to the Cass County Survey Committee on May 27, 1948, in full accordance with the law. This is of record in the office of the Morgan County Superintendent of Schools.

It is correct that the proposed plan set out in the petition was not approved by the Cass County Survey Committee. However, neither was the plan disapproved by such Committee.

In this regard, while the law does require submission to the Committees of the respective counties involved, it contemplates no action on the part of such committees, for the law clearly states that the Committee shall have no power to grant in Chapter 124, Section 729 Revised Statutes of Illinois.

Respectfully submitted,
Orville N. Foreman

Dr. Frank Marston announced Wednesday that Walter Bellatti will be the chairman of the Special Gifts Division of the 1948-49 Morgan County Community Chest Campaign.

WALTER BELLATTI
Mr. Bellatti, senior partner of the firm Bellatti, Arnold and Fay, is the immediate past president of the Rotary Club. He has been active in Community Chest Campaigns in previous years and was a Division Chairman in the recent Illinois College Campaign.

The Special Gifts division should produce one-half of the Campaign goal. Since the quota this year is 33-1-3 percent greater than last year, the prospect list has been substantially increased. Workers for this Division are being recruited from the various service clubs in the city.

Hadden's Hogs Top The Market

To Charles E. Hadden of the Jacksonville community went the distinction of topping the hog market at National Stock Yards, Ill., on Monday, Oct. 4.
Mr. Hadden's contribution to the day's trade consisted of 49 head of mixed hogs scaling 234 pounds that sold at \$26 per cwt. Only three or four lots of hogs were good enough to bring the price.

The sale was made by John Clay & Co., who reported the National Stock Yards ranked first in salable receipts among the large terminal markets with 1,738,893 head going over the scales the first nine months of this year.

GYPSY ROSE LEE To Appear at LAKE CLUB IN SPRINGFIELD — WEEK STARTING FRIDAY * OCTOBER * 8

The top feminine personality of the present decade—Gypsy Rose Lee—actress, author and art critic, will appear in person at the Lake Club in Springfield for one week only, starting Oct. 8, in a sensational presentation with her three gorgeous models.
Miss Lee is a rarity among star performers. She is extraordinary in that she is not only a stage and movie star but she is also a writer of distinction, having authored the best-seller "G-String Mystery" and is also a patron of the arts. She also has a sister starring in the movies—June Havoc. Gypsy will be remembered as Louise Havoc of the movies and was featured in six Hollywood releases.
She was starred in such Broadway hits as "Belle of the Yukon" and "Star and Garter" and is currently writing a new play, "The World on a String," to be opened on Broadway this season.
Other stars to be featured on the same program with Gypsy Rose Lee here include Deryl Harpe and his music of both Americas. The Lake Club features three floors shows on Saturday and Sunday and two each week day night. Reservations may be made by mail or by phoning 2-0406. The Lake Club features fine food with complete dining service, featuring Charcoal Steaks, Fried Chicken, Spaghetti, and Cold Foods.

POISON KILLS FISH

Poison, Mont. — (AP) — Fish and game officials have successfully used a potent poison in killing carp and other "rough" fish which spoil lakes for trout fishing. The experiments were carried out in Savage and Spoon Lakes where the state plans to plant native and rainbow trout. Thirty men working from 12 boats reported nearly 100 per cent kill of the unwanted fish with the poison.

INDIA'S RIOT DEBRIS CLEANED UP

Amritsar, India. — (AP) — The border city of Amritsar is still cleaning up debris left by communal disturbances of a year ago. Nearly 6,600,000 cubic feet of rubble has been removed by 400 to 500 men using trucks, tractors and bulldozers. This has created vast areas of open land in otherwise congested parts of the city.

Forty percent of the walled city center of Amritsar, was destroyed in rioting between Muslims, who formed 40 percent of the population, and Hindus and Sikhs, who made up the remaining 60 per cent. Amritsar, the Sikh's holiest city, and Lahore, across the border in Pakistan, were hardest hit in the bloody Punjab riots.

TEACHER, PREACHER PAY IS LOWEST

Hamilton, N. Y. — (AP) — Teachers and ministers are the lowest paid among Colgate University graduates out of college one and two decades. While those in industry are the highest paid, a placement bureau survey has revealed. Average salaries for members of the class of 1928 is \$8,444, while that for the class of 1938 is \$5,104, the survey showed.

Although teachers in the class of 1928 are averaging only \$4,105 and those in the class of 1938 only \$3,513, men in industry in the twenty-year class are averaging \$12,510, while those in the ten-year class are averaging \$6,144. Highest salary reported by a class of 1928 graduate was \$40,000 in industry while the lowest was \$2,400 by a minister. Lowest salary for the ten-year group was \$1,800 by a minister. Two members of the class of 1938 are earning \$20,000, one in business and the other in industry.

YOU CAN ENJOY GOOD HEALTH

STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS and such complaints as Headaches, Nervousness, Acids, Toxins, Bloating, Lack of Vitality, Energy, Poor Appetite, Underweight, Dizzy Spells.

Drugless Health!

REGARDLESS of how long you have been a sufferer, and how many medicines you have tried before, you can now hope for relief if you try GEO-MINERAL, the wonderful mineral aid. Feel and enjoy the results one week after you start taking it. GEO-MINERAL comes from the earth. Nature's laboratory. Contains NO alcohol, NO preservatives, NO oil, NO harmful drugs. NO dope is NOT habit forming. Contains ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments — highly recommended by the medical profession. FOR THOUSANDS of years ever since Hippocrates was the father of medicine, minerals and other natural medicines were a reliable remedy for most of our common ailments. GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. If you suffer from nutritional anemia, nervousness, lack of vitality, and energy see what GEO-MINERAL will do for you.

Amazing Results
MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral-iron anemia. When you feel nervous, dull, tired, have dizzy spells, no ambition to work or play, a poor appetite, when your eyes lack that bright spark, and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ill. People on the advice of their doctors, go to mineral springs to find cure, or relief. The late President Roosevelt used to go to Warm Springs in Georgia. He was helped or would not have gone there twice a year.

Wonder Minerals
YEAR after year, people rush to mineral springs and spas, to drink and bathe in their miraculous water. We have all heard of the wondrous springs of Lourdes, France, and famous Thionin in ancient Greece where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

GEO-MINERAL contains minerals you get at the world's best WARGA'S DRUGS—Jacksonville, Ill.

Mail orders to above address—add 10c for postage.

"We not only sell Geo-Mineral," says G. A. Littlefield, Manager of Smith's Drug Store, Gastonia, N. C., "but as pharmacists, we know good medicine, and we believe there is none better than Geo-Mineral as a supplement for mineral deficiency. Doctors, hospitals, sanatoriums know the value of natural minerals. We are not surprised at the many users who came back to buy more and told us stories of amazing benefit. We recommend it to our friends, relatives, and beloved ones, and to every one wishing for better health."

spring. Watch your elimination from your bowels a day or two after using it. The waste, black as the color of your shoes, will start to break away, and you will SEE it! Also examine your urine. You may see impurities — poisonous waste — coming out of your kidneys, relieving you. And then realize the priceless value of GEO-MINERAL.

100% Guaranteed!
WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!

TRY it today! It may do wonders for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.

Scouts To Hold Fall Camporee At Springfield

A Frontier Round-up or a fall camporee will be held for the Boy Scouts of the Abraham Lincoln Council, October 9 and 10th, at the Council Scout Camp, Camp Ilinex on Lake Springfield.

All Scout Units will camp by patrols or as a troop and cook their own meals.

Scout units will camp in home made tents, and all kinds of camping equipment, that they own. The leadership of the patrols will be under the direction of the Patrol Leaders.

Scouts will come dressed as cowboys, rustlers, pioneers, frontiersmen and Indians. Scouts who do not have costumes may wear camp clothes or their Scout uniforms.

The program will include frontier contests, archery, turkey shoots, tests of skill and pioneer events. There will not be judging of camping abilities, but each Scout unit is asked to demonstrate something that they feel that they can do exceptionally well.

The evening camp fire will serve as a recognition ceremony for any new Scouts registered between August 30 and October 10. Each Scout is asked to invite a boy to become a Scout and bring him to the Round-up with him.

Dr. Frederick Engelbach, chairman of the Honest Abe District Camping and Activities committee, said that it is expected that 30 Scout Troops and nearly 150 Scouts from the local District will take part.

Edward D. Bargery, District Chairman of the Honest Abe District, states that this type of Fall Round-up is the first of its kind to be held in the Abraham Lincoln Council.

All Scouts, all boys of Scout age, who wish to be Scouts, are invited to take part, Mr. Bargery stated.

The Boy Scout program is part of the Morgan County Community Chest.

50 Attend Public Aid Commission Session

Carl K. Schmidt, Jr., executive secretary of the Illinois Public Aid Commission, and Peter W. Cahill, his assistant, were present Wednesday for a meeting at the Dunlap hotel with supervisory staff of the Jacksonville District of the Public Aid Commission.

Mr. Schmidt and Mr. Cahill discussed the administration and philosophy of public assistance. Other problems raised by the staff relating to the administration of public assistance by county offices of the commission were discussed.

The meeting was held under the supervision of T. S. Hoppe, district representative and Leroy W. Mor-

ton, assistant district representative. About 50 people attended from Adams, Brown, Cass, Hancock, McDonough, Morgan, Pike, Schuyler and Scott counties.

First "call" for fall!

Don't fiddle around any longer with dirty old summer motor oil. Swing your car into the nearest Conoco station and change to winter-grade N⁶ Motor Oil. Lighter winter-grade N⁶ gives you faster starts. Saves you wear on the battery when you step on the starter.

What's more, a change to Conoco N⁶ Motor Oil gives you the extra protection of OIL-PLATING. For N⁶ contains a special, added ingredient that actually OIL-PLATES your engine's working parts...fastens an extra film of lubricant to cylinder walls...protects you from "dry" friction starts...from sludge and carbon due to wear.

So for better winter driving, call on your Conoco Mileage Merchant...

From where I sit... by Joe Marsh

Get The Truth!

Called on my good friend "Cappy" Miller, who edits the County Bee, the other day. And hanging up on the wall of Cappy's office is this slogan for his paper:

"Remember there are two sides to every question. Get both sides. Be truthful."

A good slogan... not just for a newspaper—for people, too. Because there'll always be two sides to every question: the side of those who vote one way, and those who vote another—the side of those who enjoy a temperate beverage like beer or ale, and of those who swear by nothing but cider.

And from where I sit, once you've got both sides—and faced them truthfully, you realize that those differences of opinion are a precious part of what we call Democracy—the right of the individual to vote as he believes, to speak his mind, to choose his own beverage of moderation, whether beer or cider.

Bodies Of 4 Morgan Men On Funeral Ship

The remains of three Jacksonville men and a Chapin man who lost their lives in Europe during World War II were among the 7,000 bodies which have been returned to the United States aboard the Army Transport Carroll Victory, the Department of the Army announced Wednesday.

Of this number 509 remains are former Illinois men.

Most of the bodies on the transport had originally been interred in military cemeteries in France and Holland.

Jacksonville men whose bodies were on the transport, and their next-of-kin, are S-Sgt. Ralph C. Foster, Air Force, John A. Foster, 812 South West street; Pvt. George W. Graubner, Army, William H. Graubner, 604 Hardin avenue; S-Sgt. Clarence A. McClellan, Army, Harriet F. McClellan, Box 169, Jacksonville. The Chapin soldier whose body is en route home is Pvt. John S. Brown, Army, John E. Brown of Chapin route two.

On the transport were the bodies of T-5 Kenneth H. Armstrong, Army, Eula M. Armstrong, 342 King street, White Hall; Pfc. Alfred S. Boynton, Army, Reuben R. Boynton, Pleasant Plains; Pfc. Lewis H. Klocker, Army, Viola Bridgman, 308 East 10th street, Beardstown; S-Sgt. Victor R. Weaver, Army, Orion Weaver, Pittsfield route one.

The Army announcement said each next of kin was notified in advance of the arrival of the vessel, and would be notified again after arrival of the remains at the regional distribution centers of the American Graves Registration Service.

Bishop To Preach At Reopening Of Trinity

After extensive renovation Trinity Episcopal church will reopen officially on Sunday, October 10th, at 10:45 a. m.

The Rt. Rev. Charles A. Clough, D. D., Bishop of Springfield, will be the consecrator and the preacher for the occasion.

The choir will be under the direction of Ruth Melville Bellatti and will present a full choral eucharist, with Miss Lucille Haney as soloist. Members of the choir will be in full vestments with Donald Hipkins as the crucifer, Lee Shine and John Boatwright as torch-bearers, Arthur Hipkins will be the flag-bearer, and Edward Horton will be chaplain to the bishop.

The clergy will march in procession vested in the festival robes of their office, the Rector of Trinity will wear gold and white cope and biretta, and the Bishop will wear the episcopal cope and mitre, the traditional processional vestments of bishops.

Work Of Young Artists To Be Exhibited Here

Paintings by artists under 25 years of age will be exhibited at the Strawn Art Gallery on West College avenue starting Sunday, Oct. 10, and continuing through Tuesday, Oct. 19.

This exhibit, assembled by Jacques Seligmann Galleries in New York, is circulated by the American Federation of Arts at Washington, D. C.

The artists come from 19 different states and each represents a leading art school in that state. A good cross section of the work done in art schools throughout the state is contained in this exhibit, in which a wide variety of subject matter and technique is displayed.

Illinois is represented by 22-year-old Ellen Lanyon who studied at the Art Institute in Chicago.

The paintings of Edna M. Herr, formerly of MacMurray college faculty, will be shown in the East Gallery. Mrs. Herr, who now resides near Modesto, received her art training at MacMurray, the University of Illinois, the Chicago Art Institute and the University of Florida.

The exhibit is comprised mainly of landscapes done in the West and South, in such places as Monterey, Glacier National Park and the Florida Area. Included in the display are water colors, oils and drawings.

The gallery is open from 3 to 5 p. m. and from 7 to 9 p. m. on week days and from 2 to 5 p. m. on Sundays.

Families Urged To Make Check Of Fire Hazards

With colder weather daily increasing the danger of preventable fires, local families are asked to make a full-scale check of homes and apartments to eliminate common hazards during Fire Prevention Week, Oct. 3 through 9.

Effectiveness of thorough inspections has been demonstrated in recent years in many cities, one of which reported that a wide-spread campaign reduced the number of dwelling fires for a 12 month period from 550 to 201.

The National Board of Fire Underwriters suggests that the check-up begin in the basement, where nearly one-third of all dwelling fires start.

The furnace should be cleaned. Householders using oil burners should call in an experienced repairman to check it. Clothing, rugs, and any other ignitable items stored near the furnace should be removed, and all paper, rubbish, and litter disposed of. A safe metal container should be provided for hot ashes.

Any "home-wiring" which has been put up by a member of the family should be inspected by a licensed electrician. Pennies in the fuse box are an invitation to fire, and should be removed. Most home circuits use 15-amp fuses, and a supply should be kept handy. Be sure the fuses bear the U. L. label on the box or under the glass.

Special care should be taken to rearrange extension cords, avoiding hanging them over bare nails or running them under rugs. It is safer to replace any worn-looking cords.

Oil and clean the motors of all electric appliances, so they will not overheat and cause fires. Unless the refrigerator motor is the "sealed in" type, it should be oiled. Also check to be sure that the belt is in proper condition, since frayed or oily belts often slip and build up heat.

Chimneys, flues, and smokepipes should be cleaned, and all cracks and holes repaired. A metal screen should be placed in front of the fireplace, to guard against flying sparks and hot ashes.

All gasoline or other flammable fluids should be removed from both house and garage. Cleaning clothes at home is a dangerous practice, but families which insist upon doing it should use only those preparations tested and approved by Underwriters' Laboratories.

In the kitchen, remove grease accumulations from the stove and place grease containers some distance from it. Keep a few cupsful of soda or salt handy to throw on grease fires in broilers or cooking vessels.

HOLY YEAR PLANS PUSHED
 Vatican City—(AP)—Biggest problems facing the Holy Year (1950) celebrations are hotel accommodations and shipping space, Monsignor Sergio Pignedoli, secretary of the special Vatican committee, says, "Transportation for many hundreds of thousands of pilgrims from overseas and living accommodations in housing-short Rome are the two main problems the special Holy Year technical committee has to solve."

The custom of celebrating a holy year every half-century was traced back to the ancient Hebrews by Pignedoli, who says Pope Boniface VIII (1294-1303) first revived the ancient custom. Holy years later were celebrated every 100 years, and after Sixtus IV (1471-1484) every 25 years.

More than 8,000,000 workers, or one in seven, in the United States are in the automotive field.

Wed Recently

Mr. and Mrs. Herbert Schroeder

In a double-ring ceremony performed by her father, the Rev. William J. Boston on Sept. 18 at the Litterberry church, Miss Betty Boston became the bride of Herbert Schroeder.

The couple have now returned from a wedding trip through the Southern states and are residing in Peoria, where Mr. Schroeder is employed.

VISIT FRIENDS HERE

Mr. and Mrs. Harry Bernthald and Dolores Frederking of St. Louis visited here with Mrs. Otersen, 617 Hardin avenue. While here they also attended the wedding of Miss Norma Komnick and Warren Brune.

Mrs. Bernthal is the former Miss Bernice Frederking and was employed in the office of the Eli Bridge Company in 1945 and 1947. She was active in the work of Salem Lutheran church.

AUSTRALIA GETS MORE MIGRANTS

Canberra—(AP)—Australia welcomed 27,000 migrants in the six months ended June 30. Of these, 18,000 were Britons, and 9,000 from other countries, Migration Minister Arthur A. Calwell told the House of Representatives.

Calwell said the government expected a bigger ratio of Britons in the near future. In all, 38,000 British migrants are expected this year, 70,000 in 1949, 80,000 in 1950, and 81,000 in 1951, Calwell said.

JHS Students Plan Activities For Homecoming

Students of Jacksonville High school will again go all out this year to show that they're 100 per cent behind the Crimson when they meet Rushville in the annual Homecoming football game, to be played Friday night at the Athletic Field.
Activities will get under way Thursday night when the students gather at the field to participate in a rousing pep meeting staged around a giant bon fire. The Letterman's club, with President Stan Spotts as chairman, will be in charge.
Another pep meeting will be held in the school auditorium at 1 p. m. Friday, after which the annual homecoming parade, featuring the high school band, the Jettes and a float from each of the four classes, will take place.
The parade will assemble in front of the high school and will proceed through the business district. The Jettes will have charge of the parade.
Following the game Friday evening a dance will be given in the David Prince gymnasium from 10 p. m. to midnight. Music will be furnished by Boots Brennan and his band.
The dance is under the sponsorship of the Student Council, with Charles Covey as president.

SCOUT TROOP 103 HOLDS REGULAR MEETING TUESDAY

Boy Scout Troop 103 of Centenary Methodist church held its regular weekly meeting Tuesday night. In the opening exercises, Alvin Liming led the pledge to the flag; Gary Birdsong led the oath; and Norman

Crawford led the law.
The boys were then sent out by patrols to find the south end of South West street by a series of clues. At their destination, the boys held a winner roast.
The winning patrol was the Pell-can.

Democratic Women To Attend Statewide Rally

Julianna Wright, Robert D. Cooper Married In Quincy

Miss Julianna Wright, daughter of Mr. and Mrs. Carroll O. Wright of Quincy, and Robert Dean Cooper, son of Mr. and Mrs. George Cooper of Manchester, were united in marriage at the Central Baptist church in Quincy.
The vows were received by Dr. Fred McArthur, pastor. Wedding selections were played by Harry Love at the organ and Bonnie Richmond at the vibraharp. Mary Sanders and Glenn Slater were the soloists.
Miss Carolyn Wright, sister of the bride, was the maid of honor, while Ned Cooper, brother of the bridegroom, was the best man. Miss Betty Crocker served as bridesmaid. The flower bearers were Ruth Ann and Alan Hudson of Manchester. Byron Wright, Fred Shelor, Gene Frazier and Dee Bell acted as ushers.
The bridegroom was of white slipper satin, trimmed with rose point lace and fashioned with sweetheart neckline, long, tightly-fitted sleeves and skirt entrain. Rose point lace also trimmed the fingertip veil, which was held in place with a headpiece of lace and pearlized orange blossoms. She carried a white Bible, topped with an orchid and tied with ribbon streamers.
The gowns of the bridal attendants were of dotted swiss and were identical in style. Miss Wright wore yellow and Miss Crocker wore green. Both wore garlands of gardenias in their hair and carried colonial bouquets of assorted flowers.
A reception was held in the church parlors, with about 70 guests in attendance. The couple then left for Greenville, S. C., where Mr. Cooper entered Bow Jones university to study for the ministry.

SPEAKS AT BEARDSTOWN

The Rev. W. Harris Pankhurst, pastor of Pilgrim Memorial Congregational church, was the speaker at the opening meeting of the Beardstown Women's club.

Mrs. Helen Johnson of Princeton, was the speaker at the October meeting of the Democratic Women's Club at Hamilton's Cafe on Tuesday evening. Mrs. Johnson extended an invitation to all women of Morgan county to attend the statewide rally of the Democratic Women's Division to be held at the State Armory in Springfield from 1 to 4 p. m. on Tuesday, October 12. She stressed the importance of active participation in government, since 52% of the votes in the United States are controlled by women. More than ever before, women's organizations are being recognized throughout the country, Mrs. Johnson said.

Mrs. F. J. Ferry urged members to read the final report of the Morgan County School survey committee and to consider carefully its recommendations before October 9, the date set for voting on them.
She pointed out the fact that this committee has spent two years in studying the needs of school children in this county and in neighboring counties, and that the great expenditure of time and effort on the part of its members entitles them to earnest consideration of the recommendations by all citizens of the voting district.

Reception For Mrs. Stevenson
Mrs. Hazel Strawn, president of the club and general chairman of a tea to be given at the Dunlap Hotel from 3 until 5 o'clock on the afternoon of October 23, for Mrs. Adlai Stevenson, wife of the Democratic candidate for governor, announced the appointment of committees for the occasion.

They include Mrs. Harry Doolin, publicity; Mrs. Trilby Hicks, music; Mrs. F. F. McCarthy, table arrangements and refreshments; Mrs. E. S. Collins, room arrangements; Miss Fern Haigh, reception; and Mrs. F. J. Ferry, registration. Anyone who would like to meet Mrs. Stevenson is cordially invited to attend this tea. Miss Mary Lewis, who headed the committee for the social meeting which followed the business session, recently underwent an operation and was unable to be present. Miss Martha Atkinson served in her place. She was assisted by Miss Eileen Ferry and Miss Elsie Hipkins.
Mrs. Harry Doolin was program chairman for the evening.

Sain Hurls Underdog Braves To 1-0 World Series Win

Illinois Concentrates Upon Passing Attack

Champaign, Ill., Oct. 6.—(P)—Tom Stewart, Gary, Ind., veteran back, led the University of Illinois' first string football team through a long passing drill today.

Dike Eddleman practiced his booming punts, one of the Illinois' most effective weapons.

Coach Ray Eliot indicated he may use a two team system against Army here Saturday. The game is a sell-out and 71,119 fans will witness the final of the five game series.

Evanston, Ill., Oct. 6.—(P)—Northwestern University's first and second string football squads went through another long offensive and defensive passing drill today in preparation for the meeting with Minnesota here Saturday.

The No. 1 defensive unit spent a long time working against the aerial tosses thrown by B team players. Jim Mahoney, of Springfield, Ill., worked at halfback on the No. 1 eleven.

South Bend, Ind., Oct. 6.—(P)—Notre Dame's No. 1 and No. 2 left ends were on the doubtful list today for the Michigan State game Saturday.

Jim Martin, regular for three years, has aggravated a knee injury suffered last week in practice. Doug Waybright, his first replacement, ruptured a blood vessel in his leg in the Pittsburgh game Saturday.

Today's assignment for the Irish was a defensive scrimmage against Michigan State plays as run by the freshman.

Lafayette, Ind., Oct. 6.—(P)—Right End Clyde Grimsen of Purdue dislocated his left elbow in practice today and will be out indefinitely.

Loss of Grimsen left the Boilermakers in a bad way for right ends. Coach Stu Holcomb named Stu Scheer to start at that position against Michigan Saturday and shifted Ken McCaffrey from left to right end to bolster the spot.

Right Halfback Norbert Adams was sidelined with bumps and bruises and was listed as uncertain for the Michigan game. Neil Schmidt was shifted from left to right half to strengthen that position.

Ann Arbor, Mich., Oct. 6.—(P)—Michigan's respect for the power of a Purdue team the Wolverines face Saturday was reflected today as Coach Bennie Oosterbaan put his charges through a rugged defensive workout.

Southworth Says Initial Game Best Pitched In History

Boston, Oct. 6.—(P)—Billy Southworth, who can qualify as a world series authority—the current Boston Braves are his fourth championship team in seven years—described today's opener with the Cleveland Indians as "one of the best pitched games" in series history.

"Bob Feller was sensational and so was our Johnny Sain," Southworth said. "Just imagine Feller holding us to two hits and we needing only one of them to win."

"This is the first time I've seen Feller go nine innings," Southworth added. "What impressed me the most was the remarkable control he had over his curve."

"And Sain was equally steady. Every time Johnny fell behind, he came up with his curve and put it just where it would do the most good."

"It really was a wonderful game and, naturally, all of us are very happy to have pulled it out," Southworth continued.

"Only three more to go, Billy," an admirer said.

Southworth gave his well-wisher a knowing smile as he replied, "I'm not making any predictions about the final outcome. We're going to play each game as it comes and tomorrow we'll go with Lefty Warren Spahn and I suppose Cleveland will come back with Bob Lemon."

Sain, an unusually slight type, had little to say about his well-earned triumph. He let a beaming smile serve as words when his grateful teammates showered him with their congratulations.

The constantly cheerful Tommy Holmes, whose eighth inning single enabled pinch-runner Phil Masi to score the game's only run, was not adverse to being the club's spokesman.

"We knew Feller was going to be very tough as soon as he started," Holmes said. "And with Johnny Sain matching him pitch for pitch, we knew it was going to be a 1-0 game. We concentrated on getting that run in every inning until we got it."

"I didn't think Feller was exceptionally fast today, but I really was amazed by his control," Holmes continued. "He whipped over his curve just before I hit a fast pitch that was high and outside with a one-out count."

Two football games are carded in this area tonight.

Coach Lyle King's Waverly Scots open their conference campaign in a game at Girard, where they meet an outfit which owns a 6-0 record over Greenfield.

Pittsfield, considered the top club in the Illinois Valley conference, appears at Greenfield, where Coach Don Luketich's aggregation will also be trying for its second consecutive loop win.

By CHARLES BELLATII

We had our sights leveled sure and true on the games in this area last week, but the big boys gave us a bit of trouble. Nevertheless, we came through with 23 right, 5 wrong and a tie for an .821 reading, a considerable improvement over our .714 showing the first week of prognosticating. That gives us .7675 for the season.

Jacksonville high school gave us our biggest surprise, holding highly-favored Beardstown to a 7-7 tie. Our Beardstown confederate indicates that the Crimsons came near choking up a black market on our record, Illinois college and I.S.D. ran true to form, if not a little more, and the Illinois Valley teams performed practically as expected.

Northwestern, Wisconsin, George Tech, Harvard and Cornell were the universities who dropped our percentage.

Our best guess came on the Winchester-White Hall encounter, which we missed by one point. Credit long runs on I.S.D. Waverly, Pittsfield-Roodhouse, Greenfield-Pleasant Hill and Notre Dame-Pittsfield, all of which we missed by one touchdown or less.

This week offers a tough challenge on the national feature contest. The hard to pick, especially in the Big Nine, after a confused first two weeks. We'll take a couple of long shots.

Here's the picture, locally:
North Central 21, Illinois College 6—By far the toughest test thus far for the Blueboys, although North Central lacks the ball club which won the Little Nine title in 1947. Playing on a foreign grid doesn't help the Hilltoppers' outlook.

Rushville 20, Jacksonville 7—All reports indicate that the Spoon River assemblage is loaded. The Crimsons will have a tough time getting their offense rolling, but they won't be denied their touchdown. Rushville's Patterson and Crumley will be hard to stop. This time the homecoming spirit won't be enough.

I. S. D. 27, Minnesota 0—Picking mainly by last season's performance, and restful in the knowledge that the westenders are stronger than in 1947.

Girard 21, Waverly 6—Comparative scores are all in Girard's favor. And the Scotties are still attempting to reassemble their backfield after a series of crippling injuries to key players.

Roodhouse 26, Winchester 7—Coach Mason Campbell's eleven will bounce back for the first Illinois Valley conference victory. The wildcats may get a touchdown on passing ability of Bill Stuart.

Jerseyville 21, White Hall 7—The Panthers are due to chalk up another victory after their impressive blasting of the Carrollton Hawks. White Hall isn't clicking, despite the win over Winchester, and won't be able to register another loop win this year.

Pittsfield 20, Greenfield 6—We have a great deal of respect for Coach Glen Smith's Saukees. Greenfield just isn't the club to give the Pike county aggregation a good game.

Carrollton 13, Pleasant Hill 7—The closest tilt of the week in Ivy competition. But we look for the Hawks to bounce back from the terrific lacing they absorbed at the hand of Jerseyville last week.

Now our five-star specials for this week:
Minnesota 20, Northwestern 19—Aren't we daring. After the Wildcats' showing against Purdue, a guy would be a fool to pick another team to lick 'em. We're a fool, and by just one point.

Michigan 21, Purdue 14—The Boilermakers should have picked an easier opener. They haven't recuperated from the Notre Dame game yet. Michigan is just gaining its stride.

California 13, Wisconsin 0—Big Nine clubs have held a jinx over the Coast elevens this season, holding them scoreless in all tests to date. But this time California, the strongest in the west, will gain back a bit of prestige.

Other predictions on the national scale:
Ohio State 21, Iowa 7—The Buckeyes are making quite a name for themselves. We've picked them correctly against the opinions of the experts, and we'll stick with them another week.

Indiana 20, Texas Christian 14—It came up heads. Here's one that might fool us, but we think our Big Nine representative holds a slight edge.

Notre Dame 27, Michigan State 13—We've been wrong before. But who can blame us for stringing along with the Irish. We won't be wrong many times during the season.

Army 21, Illinois 7—Much as we hate to say it, Ray Eliot's crew just isn't on a par with the other mid-western aggregations. And Army seems to have a brilliant outfit despite the absence of old proven stars.

The only thing which might bring an upset—Stewart to Karmali.

Southern Methodist 14, Missouri 7—A certain St. Louis paper is investigating the athletic situation at the U of I. We'd advise them to turn to the Missouri campus first. Missouri has a fine club this year, but not good enough to stop Dock Walker and company this week.

Pittsfield 14, West Virginia 7—One which will be close. There could be an upset here, with Pitt falling to rebound from its beating by Notre Dame. Any other week in the season it would be Pitt by two TD's.

Navy 14, Duke 6—The Middies are due to sink something. We've been on their side through two losses. This time we're hoping they'll come through for us.

Georgia 27, Kentucky 13—The Wildcats are dangerous and can't be taken lightly. Some pick this as another fine team. Some pick this as closer. We think it'll be a bit one-sided.

And now for some quick ones:
Kansas 27, Iowa State 7; **Nebraska 20, Colorado 6**; **Pennsylvania 20, Princeton 6**; **Brown 42, Rhode Island 0**; **Georgia Tech 27, Washington and Lee 6**; **Tulane 21, South Carolina 7**; **Louisiana State 20, Texas A & M 6**; **Oregon 20, Idaho 0**; **Washington State 20, Montana 7**; **Penn State 21, Syracuse 0**; **Kansas State 21, Jonesboro 0**; **Marquette 21, St. Louis 7**.

And again we stick our neck out for these: **Washington 24, U.C.L.A. 21**; **Yale 14, Columbia 12**; **Arkansas 14, Baylor 13**; **Rice 13, Southern Cal. 12**.

Tigers Leave For Tilt At Minnesota School

Only two of Jacksonville's three grid teams—J.H.S. and Illinois College—went through rehearsals yesterday afternoon. Illinois School for the Deaf players were busy packing their equipment prior to an early morning departure for Minnesota School for the Deaf Thursday.

Coach Art Yates named a 20-man squad for the trip to Fairbault, where the Tigers engage Minnesota S.D. in the Minnesotans' homecoming game Saturday afternoon.

Tigers making the trip: Bill Yates, David Early, Alta Hood, Stanley Kwiatk, James Villani, Oliver Hoffman, Victor Marsala, Jerry Tuchman, Robert Leidburg, Irvin Carlstedt, Tadness Zuziak, Gilbert Paul, Bruno Franco, Roy Helmersen, Joseph Source, Don Merriman, John Bradley, Homer Nurnes, Doyal West and John Haidukowicz.

The I.S.D. team will make a two-day bus journey to the northern school, getting in a bit of sight-seeing on the way.

The Tigers defeated Minnesota in a one-sided combat here last year and will be favored again this season. Minnesota has practically the same team, while I.S.D. has undergone many changes, but evidently for the good.

I.C. got in a long day of rehearsals. Coach Al Miller cancelled plans to use the J.H.S. field for a nocturnal workout, but took his charges into the classroom for a chalk-talk.

A long session was held on the practice field Wednesday afternoon. Bob Grove, regular quarterback, who Miller had hoped to start against North Central, won't be ready to return to action after suffering a sprained ankle in the season-opener against Scott Field.

Barney Vilk is still on the shelf, and Miller was faced Wednesday with the loss of Richard Frisky, reserve end, and Dick Johnson, Jacksonville backfield speedster. Neither will accompany the squad to Naperville.

Jacksonville high school went through its usual rigorous Wednesday scrimmage schedule. Coach Bob Kraushaar spent considerable time working on offense. Coach Hal Wimberly worked with the line during the latter part of the afternoon.

Guard Jording was still not in uniform. Stan Spotts, regular halfback, suffered an eye injury, but it isn't likely that it will handicap him against Rushville Friday night.

Breaks Won Games
Alert play was responsible for both Illinois wins over Army, and the underdog Illinois of 1948 can turn to the 1929 and 1934 Army games for examples of how to take advantage of breaks.

In 1929, Illinois got a fast start on a 24-yard field goal by Doug Mills, now Illinois athletic director. Everything happened. Driven back to its own goal line, Army sent Halfback Johnny Murrell back to punt from his own end zone. The kick went almost straight up in the air, hitting on the Army 20 and bouncing back to the 8. Illini Center Eddie Kaval scooped up the ball and sauntered 8 yards to a touchdown.

Army marched back, moving to the Illinois 15, only to watch End Arnie Wolgast intercept Murrell's lateral pass and speed 80 yards for another Illinois score. Prosty Peters' two conversions gave the Illini a 17-point total, offsetting a single Cadet touchdown by All-American Chris Cagle.

A Wet Encounter
In 1934, players and fans were greeted by a rain deluge. So the Illini made their break early when Ken Nelson blocked an Army punt in the first 10 minutes of play. End Gene Dykstra grabbed the blocked kick out of the air and ran to Army's 14, from where Crain Portman swept left and two plays later for an Illini touchdown. Les Lindberg made the extra point, then kept Army away from the Illinois goal with phenomenal coffin-corner punting. Despite the rain, Illinois struck for another touchdown on a pass from Jack Beynon to Dykstra. Cadet touch which nullified the score and left the Illini 7-0 victors.

Present Illini Coach Ray Eliot was at guard against the Cadets in 1930, but his presence didn't keep Army from gaining a 13-0 win. Ray Stecker stole the show for the Cadets, scoring on a seven-yard end run and intercepting a desperation pass by Chris Hall to run 45 yards for another touchdown.

Close Decision
The other Army win, 6-0 at Cleveland in 1933, was the work of Joe Stancook, plunging Cadet fullback who capped a 50-yard march with a one-yard touchdown smash that won the game. A standout in that defeat was Illini Jack Beynon, who completed seven of eight passes during a third period outburst which threatened to put Illinois back in the game.

Last year's renewal of the series, first game between Illinois and Army in 13 years, went to the Illini statistically and but for a bad center pass might have gone to them on points. Ray Eliot's club marched to Army's six with 12 seconds left in the first half, then sent Don Macchietti in for a field goal try from the 15. But the center pass was low, the kick hurried, and Macchietti missed.

Army never got inside the Illini 20, but neither could Illinois muster another scoring threat.

That left the Braves short an outfielder and Rickert quickly was obtained from Milwaukee, a Boston farm, and permission obtained for him to play in the series.

Rickert is a left handed batter. That's why Billy Southworth wanted him. Billy has been shifting his batting order from left to right hands according to the type of pitching used by Boston opponents.

Salkeld was a third string catcher with Pittsburgh in 1947 and was slated for a minor league club this year until the Pirates and the Braves cooked up a trade which brought Russell, Salkeld and Al Lyons here for Johnny Hopy and Danny Murthaugh.

Salkeld, a left handed batter, caught more games for the Braves early in the season than did Phil Masi who is considered the club's regular receiver.

The University of North Carolina, chartered in 1789, claims to be the oldest state university in the country.

Fortunes Of Ball Players Take Some Strange Bounces
Boston, Oct. 6.—(P)—Baseballs, as well as footballs, take some funny bounces and so do the fortunes of ball players.

Take Merv Rickert and Bill Salkeld for examples.
Or consider Jeff Heath and Jim Russell.

Rickert and Salkeld are scheduled to be in the Braves' starting lineup today in the opening game of the Cleveland-Boston world series.

Rickert, a left handed batting outfielder, was dealt off to Milwaukee from Cincinnati early in the season in a complicated four way deal. After Milwaukee's Brewers ended their American Association season Rickert went to his Long Branch, Wash., home.

Then Jeff Heath, Braves' long ball hitting outfielder who has waited 12 years to get into a world series, broke his leg sliding home in Brooklyn, a scant six days ago.

Earlier, Jimmy Russell, a switch hitter who was having a good year with the Braves after a so-so 1947 season at Pittsburgh, was hospitalized with a heart ailment and forced to quit baseball for the season.

Boudreau Lauds Both Pitchers In First Game Foray

Boston, Oct. 6.—(P)—"It's a shame to ruin such a masterful pitching performance by one decision."

That was the only complaint voiced by Cleveland Manager Lou Boudreau after the Indians, beaten 1-0 in the opening world series pitching duel between Johnny Sain and Bob Feller, trooped silently into their dressing room.

The decision he referred to was on a close play at second base in the eighth inning when Phil Masi, apparently trapped off base, slid back safely under Boudreau.

"I thought I had him. I tagged him on the shoulder. But that's just my opinion," Stewart (Umpire Bill Stewart) had his "it isn't a complaint," Boudreau said evenly.

Feller, who allowed only two hits in his first world series game but lost 1-0, was even more terse in his comments on that particular play. "Take a look at the pictures of it," he remarked grimly. "We thought we had him on the trap."

It was a silent, serious-faced crew of Cleveland ball players that filed through the door and dressed almost without a word to one another.

The Braves' victorious pitcher, Sain, shared in the tribute Boudreau paid to Feller.

"He pitched a great game and deserves a lot of credit. They both pitched a great game," Lou went on.

On the other side of the room Feller was explaining that he "had pretty good stuff and felt good." It was a fast ball he threw to Tommy Holmes in the eighth, when the Braves right fielder belted a hit to drive in the game's only run.

That was a one and one pitch and I had to get it in there. If it had been just a little higher or lower he might have gone out—but he didn't and we didn't get a run."

"Was it the toughest game I've lost?" Bob broke into a grin as he repeated the question. "I wouldn't say it was. I once struck out 18 men and lost the game."

'Game Is Over,' Says Veck When Viewing A.P. Pics

Boston, Oct. 6.—(P)—Bill Veck, president of the Cleveland Indians, when shown the Associated Press picture sequence of the disputed play at second base in the eighth inning of the world series opener, said tonight:

"They are very interesting pictures, but the game is over."

The sequence shows Manager Lou Boudreau of the Indians tagging Phil Masi of the Braves as he slid back into second after a fast leg from Pitcher Bob Feller.

Boudreau at the time argued with Umpire Bill Stewart's decision calling Masi safe. Masi went on to score the single run by which the Braves beat the Indians, 1-0.

Will Harridge, president of the American league, when shown the pictures, only smiled and said: "Officially he's out."

No baseball game ever has been reversed on the strength of photographs, and Indian officials made it plain no protest is either planned or possible under baseball rules.

Rumor Harris May Take Over As Brooklyn Chief

Boston, Oct. 6.—(P)—Rumors persisted in this baseball-mad city tonight that Bucky Harris, ousted New York Yankee manager, would replace Bert Shotton as pilot of the Brooklyn Dodgers next season.

There also was talk that possibly Harris might succeed Branch Rickey as president of the Brooklyn club.

But the principal rumor was that Bucky, one of the game's best liked managers, would replace Shotton, who led the Dodgers to the pennant in 1947 after Leo Durocher was suspended and then took over the managerial reins when "The Lip" went to the Giants in mid-season this year.

"I have no knowledge of it (the rumor)," Harris told a reporter. "But if they want me I would love to have the job."

Chicago, Oct. 6.—(P)—The Chicago White Sox today admitted they were shopping for a new general manager to succeed Leslie O'Connor, who submitted his resignation last Sept. 18.

But the Pale Hose, who last Sunday appointed Jack Onslow, 59, as team manager to succeed Ted Lyons, declined to say whether Frank Lane, American Association president, will be O'Connor's front office successor, as widely reported.

Charles Comiskey, 22, secretary and top White Sox spokesman, said at a news conference today that the club had not yet accepted O'Connor's resignation and that "three or four men" were being considered as his replacement.

Comiskey said he was "not at liberty" to comment on a report that Lane already had signed a five-year contract at \$30,000 a year.

There are several instances on record in North Carolina when voracious bluefish have driven schools of menhaden on to the shore until they were piled up knee deep.

Feller Is Magnificent In Defeat, Permitting Only Two Safeties

Boston, Oct. 6.—(P)—Right-handed bases on balls—Feller 3 (Torgeson, Salkeld, Stanky). Strike outs—Feller 2 (Torgeson, Salkeld); Sain 6 (Gordon, Feller, 2 Boudreau, Keltner, Judnich. Umpires—Barr (NL), plate; Summers (AL) 3b; Stewart (NL) 2b; Greive (NL) 3b; Paparella (AL) 1b; Pinelli (NL) rf. Attendance—40,135 paid. Time—1:42.

Lemon will step in with 20 wins and 14 losses under his belt, while Spahn chalked up 15 wins and 12 losses during the regular season.

The underdog Boston Braves behind Johnny Sain won the first game of the world series Wednesday by beating the Cleveland Indians and their ace Bob Feller, 1 to 0.

Feller pitched a world series classic—a brilliant two-hitter—but Sain blanked the American league champions with four safe blows.

Tommy Holmes, Braves' right fielder, sent the National leaguers out in front in the big play-off by singling cleanly over third base in the eighth inning to score Phil Masi, a pinch runner, from second. The only other hit off Cleveland's great fireballer was a single by Marvin Rickert in the fifth.

A partisan crowd of 40,135 sent up a roar that must have raised ripples on the nearby Charles river when Holmes, a left-handed batter, crossed up the Cleveland defense by hacking an outside pitch to left. Before the Indians could collect their ball, Holmes slid into second and another runner, Sibbi Sisti, reached third.

That was the only thing approaching a score in the tingling contest. Six Indians reached base on Sain, two of them on errors by Third Baseman Bob Elliott. Five of them reached second, but not a one spiked third as the tall, tough right-hander bore down to strike out six men.

Walk Opened Inning
Feller, a magnificent figure in defeat, brought on his own downfall when he issued his second walk of the game to Catcher Bill Salkeld to open the fatal eighth. Masi went in to run for his fellow backstop, and reached the middle bag on a perfect sacrifice by Mike McCormick. Eddie Stanky, a dangerous hitter in the clutches, was purposely passed.

When Sain lined viciously to right for the second out it looked as though Feller might pull out a pull through safely. As he started to pitch to Holmes he whirled and snapped a throw to Manager Lou Boudreau, which very nearly got Masi as he slid desperately back. Boudreau, in fact, argued with Umpire Bill Stewart about it.

Vital Decision
As it turned out, Stewart's decision was the most vital one of the thrilling contest. It gave Holmes all the chance he needed to join Sain as co-hero and send the underdog Boston club away winning.

With the big run under his belt, Sain didn't give the Indians a chance to fight back in the ninth. After Boudreau and Joe Gordon flew out to open the frame, Cleveland got a brief life when Elliott took Ken Keltner's roller and threw high over Earl Torgeson's head at first base.

With Keltner on second a single could have sent the battle into extra innings. But Rightfielder Walt Judnich looked at a third strike and the crowd stormed onto the field. The Braves practically carried Sain to the dressing room.

None of the four blows off Sain was better than a single, and they from the first through the sixth. They were spaced over many innings, big follow, a 24-game winner during the past campaign, didn't allow anything resembling a hit in the last three chapters.

Aided by a stiff breeze from behind his back, Sain forced the slugging American leaguers to hoist the ball high into the air most of the way. His outfielders made 15 catches, tying the world series record set by the New York Giants in 1912. All the catches were easy ones, and only one Cleveland drive, by Ken Keltner in the sixth inning, came near reaching the fences.

Braves More Futile
The Braves were, of course, even more futile against Feller's great speed and snapping curves before they, and Bob's own wildness, finally caught up with him at the end.

The Loves of Carmen By SOPHIE KERR
Copyright, 1946. MEA SERVICE, INC.

THE STORY: Don Jose, young officer in a fashionable Spanish regiment, has just come to Seville from the countryside of Navarre. On his first day in the city, a gorgeous gypsy girl flirts with him, then disappears. Some days later he is on duty in the square with his friend, Andres, when he sees her again. Andres greets her warmly as Carmen, but her glances are all for Jose. Shortly afterwards, Carmen gets into a street brawl with another woman and knives her. Jose is ordered to take her prisoner but lets her escape. As a result, Jose gets extra guard duty and is confined to barracks for 30 days. On the last night of his extra duty, he is amazed to see Carmen attend a party at the colonel's house. She turns his head with her beauty and he meets her at Lillias Pastia's. Carmen arrives at the tavern first, where she turns over stolen goods to three gypsies.

comfortable, avoiding Dancaire's amused regard. "You are uneasy, Don Jose," murmured Dancaire. Don Jose did not answer but his eyes kept going to the windows above them.

CARMEN moved into view behind a metal grille—an opening 10 feet up in the wall. She was smoking a little brown cigarette. Jose rose slightly, as though the sight of her had lifted him to his feet. She beckoned to him. Dancaire watched the silent tableau with interest. Andres sat befuddled, his chin on his chest, eyes on the floor.

Don Jose turned away, as if to quit the whole intolerable situation, when there was a sudden clatter of high heels running down the stairs. Dancaire said, "Like a cat—it never comes when you call it—but when you turn your back—"

And as Carmen walked rapidly to Don Jose, "—there it is, uninvited."

Carmen said sweetly, "Hello, little Navarrese!"

Andres woke up suddenly at this. "You—she wants you now. But you can't have him," he blurted to Carmen, "because he's my good friend. He's a gentleman."

He got up and tried to pull Jose toward the door.

"We're both gentlemen—and one gentleman does not betray another."

"How about it, soldier?" Carmen asked assuredly.

Don Jose looked at her with hunger, but turned to Andres, his voice harsh. "Come, Andres, let's get out of here."

"They are thieves, all of them," Andres blurted out. "Thieves, robbers, murderers, poisoners, killers of babies and fortune-tellers. And she is as bad as any of them. I'll tell you something, Jose. She lies. She lies all the time."

He began to sob.

"Come, Andres, never mind. We'll go home." Don Jose started to lead the other man down the stairs to the door.

Carmen was furious. "Go on, then, you dogs!" she screamed. "Get out! Get out!"

Taxpayers' Association Asks Study Of Report Before Vote Saturday

The Morgan County Taxpayers' Association has completed a summary of facts on the school consolidation question to be voted upon Saturday. Copies of the summary have been sent to members of the association.

The report commends the efforts of the Morgan County School Survey committee and requests that all residents in the area study its final report before voting.

Roadhouse Rites Sunday For Two Killed Overseas

Roadhouse — Funeral services for two Roadhouse men who died overseas in the service of their country will be held here Sunday.

Funeral services for Pfc. Earl Fry, Jr., will be held at 1 p. m. at the Church of Christ. The Rev. Ernest Dawdy, assisted by the Rev. W. W. Williams, will officiate. Burial will be in Fernwood cemetery.

Funeral services for Pfc. Lewis C. March will be held at 3 p. m. at the Mackey Funeral Home. The Rev. Ollie Phillips will officiate and burial will be in Manchester cemetery.

Graveside rites for both men will be conducted by Roadhouse post, No. 373, American Legion.

Pfc. Fry was a member of the Yankee division of Patton's Third Army. He died in action at Homestead, France, on Nov. 26, 1944.

He was born in Patterson on July 21, 1919.

Survivors include his parents, Mr. and Mrs. Earl Fry, Sr., of Roadhouse; his wife, Elizabeth Ann Fry; three children, Nona LaRae, Terry Lee and Frederick Earl of Roadhouse; two sisters, Mrs. Ray Campbell and Mrs. Kenneth Jackson, both of Roadhouse, and his grandparents, Mr. and Mrs. Carriger of Patterson and Mrs. Elizabeth Fry, also of Patterson.

The remains are at the home of his parents.

Pfc. Marsh, a member of the 36th Infantry division, was killed in action at the Rapido river crossing in Italy on Jan. 21, 1944.

He was born near Roadhouse on Dec. 19, 1915.

Surviving are his parents, Mr. and Mrs. James Marsh of the Ceres community; one brother, Charles, at home, and two sisters, Mrs. Mary Best of Collinsville and Eloise, at home.

The body is at the Mackey Funeral Home.

Seventy Attend Men's Club Meet In Murrayville

Seventy members and guests attended the supper meeting of the Murrayville men's club at the Methodist church Monday night. The meal was served by the ladies of the church.

Carl Robinson presented beautiful pictures, in full color, of Yellowstone park and the surrounding territory. He also showed views of the sports of the northeast.

Lyndal Symonds conducted the business session.

The next meeting will be held November 1.

'GREAT MEN' THEME OF FRANKLIN CIRCLE

Franklin—"Great Men" was the program theme at a meeting of the Franklin Homemakers Circle, which met Tuesday with Miss Maude Van Winkle.

The sixteen members answered roll call by giving the name and exploits of "A Great Man." Mrs. W. N. Luttrell read a paper on "Great Men of 1848" and Mrs. O. W. Gould presented a paper on "Great Men of 1948."

There were two guests: Miss Payne Linder and Barbara Camm.

The hostess served refreshments. The group will meet with Mrs. William Scott on Oct. 19.

BRIDGE CLUB MEETS AT MURRAYVILLE

Murrayville—Mrs. Herman Baker was hostess Monday evening, to members of the Murrayville bridge club.

Mrs. Dale Gibbins of Roadhouse and Mrs. W. J. Martin were guests. Prizes were won by Mrs. E. W. Wright, Mrs. Lyndal Symons and Mrs. J. R. Newcomb.

Refreshments were served. Mrs. Andy Ommon will be hostess Monday, Oct. 18.

Finds Large Deer Dead Near White Hall Reservoir

White Hall—A ten-point buck was found dead Saturday afternoon on the Ross farm south of the White Hall reservoir by City Clerk George Wyatt. The body measured 60 inches, and it was approximately four feet tall. B. R. Pruitt and Ira Hudson removed the head and antlers and brought it to town.

Mrs. Josephine Kramer, Mr. and Mrs. H. C. Nordstrom and Claude White of Chicago were recent guests of the latter's parents, Mr. and Mrs. Perry White.

Mr. and Mrs. Wilbur Watt of Troy, Illinois, are the parents of a son, three pounds, three ounces, born Sunday at the Alton Memorial hospital. He has been named Donald Neil. Mr. and Mrs. Elah Walton of this city are the maternal grandparents.

Mr. and Mrs. William Bruce and two daughters of Godfrey spent the week end with her parents, Mr. and Mrs. Bill Norris and her sister Mrs. Ruby Lee Holmes.

Clarence Ford is home spending a 12-day leave with his parents, Mr. and Mrs. James Van Meter, after completing his basic training at Great Lakes naval training station. He will return to Chicago where he expects to be sent to Memphis, Tenn.

Mrs. Ruth M. Nettles, of this city, a member of the community service committee of the Illinois department of American Legion auxiliary, has gone to Chicago to attend a meeting of the committee. Mrs. Nettles will visit with relatives in Chicago for several days.

Richard King, son of Mrs. Lela M. King, has enrolled for his sophomore year at Shurtleff College in Alton. Also at Shurtleff as freshmen are Ernest Lee Hammon, son of Mr. and Mrs. E. C. Hammon, and Boris Lyman, son of Mr. and Mrs. Otto Lyman, all of this city.

Mr. and Mrs. James Smetzer of Hillview, are parents of a son, born Saturday in the White Hall hospital.

Estimate 9,000 Voters Register In Cass County

Virginia — Between 650 and 700 new voters have been registered in Cass county according to County Clerk George D. Schultz. These have been approximately 500 transfers and Schultz estimates the potential voting strength of registered voters as close to 9,000 for the county. While this is not an exact count it is believed to be close.

Cass county voters will be asked to vote on another proposition at the regular election Nov. 2. The special ballot reads "Shall the County of Cass, a municipal corporation organized and existing under and by virtue of the laws of the State of Illinois, be included within the provisions of an Act, creating the 'Illinois Municipal Retirement Fund,' filed July 29, 1939, as amended, now in force and effect?" To be voted yes or no.

Passage would provide all county employees with a privilege similar to Social Security Act, which does not include municipal workers.

Rural Youth Of Scott County Hold Annual Talk Fest

The Scott County Rural Youth met Monday evening with Mrs. Mildred Seaman at the Legion Hall in Winchester for the County Talk Fest. Several members participated.

Those who did not enter acted as judges to select the three best speakers to attend the District Talk Fest, which will be held at Rushville, October 20. Those chosen were Mary Kunzeman, Helen Rueter and Richard George.

The purpose of the talk fest has always been to encourage as many young people as possible to get the advantage of self-expression, confidence, and leadership, which participation in the Talk Fest provides.

Six members are interested in the Safety Drivers' Contest, and a written examination will be held October 12th at 8:00 p. m. at the Farm Bureau Office. The three with the highest score will be sent to the district, where they will take a road test.

Paul Welsh gave a report on the Square Dance which will be held October 27, at the Legion Hall in Bluffs, with the public invited.

MARY RINGERING HONORED AT PARTY

Patterson—Mary Ringering was guest of honor at a party given for her by her mother, Mrs. James Ringering Monday afternoon, in observance of her tenth birthday.

A number of games were played and refreshments were served by Mrs. Ringering, assisted by her mother, Mrs. Grace Brown.

Those present were Linda Dawdy, Anna Mae Moore, Shirley and Marilyn Bain, Sandra and Karen Taylor, Jackie Young, Jeanette Callender, Jimmie Brown and Larry Ringering.

Lays Down Rules For Philosophy Of Richer Life

Dr. Frank Marston, pastor of Grace Methodist church, laid down four general rules for "Building A Philosophy Of Life," in a talk Wednesday noon to the Optimist club at the Dunlap hotel.

A democratic mind which recognizes the right of the other fellow to think and act according to the dictates of his own conscience, is essential to a well-rounded life, the minister stated.

Objectives and purposes were given as a second requirement of well organized existence. A keen sense of humor and friendliness were also added by Dr. Marston to his formula.

The fourth and most important necessity to life is a profound faith in a Supreme Being, he declared. Life cannot be satisfying and successful without recognition and confidence in God.

Rev. Marston, who is serving as general chairman of the Community Chest campaign, asked the Optimists to cooperate with many other organizations and individuals in raising funds for the various agencies participating.

Judge Paul Fenstermaker presided at the club meeting. The speaker was introduced by Attorney M. Brooks Byus.

Lloyd Gohn and Attorney Andrew Ormiston reported on Big Brother and educational tour projects which are being sponsored by the Optimists.

Former Resident

Author Of Article

Mrs. Lorene D. Ferreira, former Morgan county resident, who now resides in Huntley, McHenry county, Illinois, is a featured writer in the October issue of the Christian Home magazine, published in Nashville, Tenn.

Her article is entitled, "Jack's Upside-Down World." It deals with the story of a little boy who fell very much neglected after the arrival of a baby sister and how his confusion was erased.

Confessed Burglar With Long Record Is Sentenced To Prison

Jack Bourland, 41, a former carnival employee, taxi driver and male nurse, told Judge Dewitt Crow before whom he was taken Wednesday for sentence on burglary and larceny charges, that he has been called "emotionally unstable."

After reviewing Bourland's case for more than an hour, when the defendant entered a plea of guilty, the court sentenced him to serve from five to ten years in the penitentiary, on each of five indictments, the sentences to run concurrently.

Presents Criminal Record

Records produced by State's Attorney W. L. Fay showed that Bourland's long criminal career began in 1924, and that he has served at least ten of the past 20 years in state and federal penitentiaries for burglary, larceny and Dyer act violations.

The slightly built ex-carnival employee was arrested by Jacksonville police several months ago after he committed five burglaries within 48 hours. Loot he obtained in burglaries and robberies at Wagoner's cafe, Grace Methodist church, the Checkerboard cafe, Wise & Dowland implement store and Purity Cleaners, was recovered.

Was Not Arrested

Bourland was represented in court by Attorney Russell J. Alvarez, who pointed out that after the defendant's arrest he cooperated with officials, and that he was unarmed when he committed the burglaries.

The state's attorney contended that the series of robberies showed the defendant's criminal tendencies, and that his record was such that he was not entitled to a minimum sentence.

Addressing Judge Crow on his own behalf, Bourland said that a short time he committed the burglaries, here he received word that his eight-month-old child had died, and that his wife was in a tuberculosis sanitarium in Southern Illinois.

Loses Job In Louisville

He claimed that his criminal record caused him to lose a good job in Louisville, Ky., although he had not committed other crimes after his release on that occasion.

Bourland accompanied a carnival to this city last spring. He left his car in a garage for repairs, returning from Iowa several weeks later. It was while waiting for the repairs on his car to be completed that he extended his string of burglaries, which will put him behind bars again for a period of years.

Pleas of guilty were entered by Charles W. Hennessey and Harold E. Carter, under indictment for armed robbery. They each asked to be admitted to probation. Hennessey and Carter are accused of holding up a resident of Havana, Ill., with a knife on North West street.

The court appointed Ralph Thomson to serve as attorney for Cesar Powers, who is under indictment on a charge of assault with intent to kill.

Community Unit, No. 1, Opposes Consolidation

The board of education of Community unit school district No. 1 has gone on record as opposing the proposed county consolidation of schools, which will be voted upon Saturday.

The members declared "we feel that formation of a larger unit as proposed by the Survey Committee would work a hardship upon our district."

District No. 1 includes the Alexander, Franklin and Nortonville communities. Members of the board are William K. Ransdell, president; LeRoy T. Smith, secretary; Francis J. Kaiser, Gilbert McQueen, Cecil Oxley, George Robinson and Lloyd Smith.

"The board heartily agrees with the statements issued in the Oct. 6 Jacksonville Journal by the Arenzville, Chapin, Concord and Meredosie board in opposition to the county unit proposal," the statement continued.

Voters of the three communities formed the unit last December by an overwhelmingly favorable vote of 613 for and 57 against.
